MAKE OF IT

**L**A community such as Lasell's is very special. A small campus which offers many opportunities for its students to become well rounded women and excel both academically and socially.

Everyone on campus is here because they want to make a difference in the lives of the students and make their college experience one they will never forget.

Through the involvement of students, many new and exciting things are occurring on campus. Everything from the expansion of Eddies, to a fifties night, an AIDS Teach In, and lots, lots more. However, like anything worthwhile, such special events take dedication along with a belief that anything is possible with just a little effort.

No one individual can give Lasell its special qualities and family-like atmosphere. A college can only become what its students make it. After all Lasell College Is What You Make Of It.

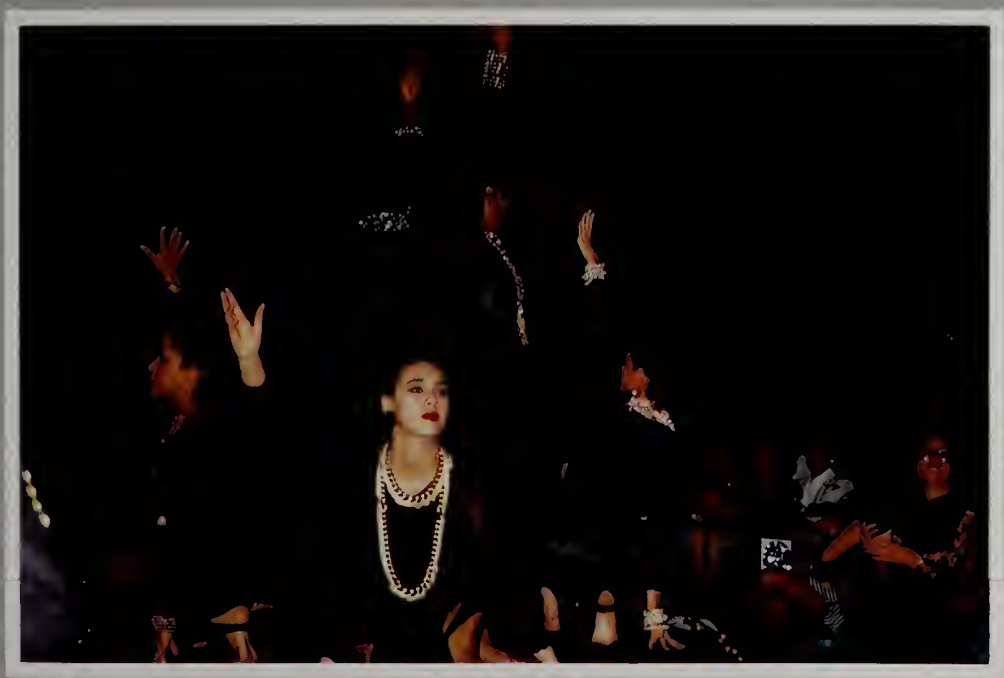

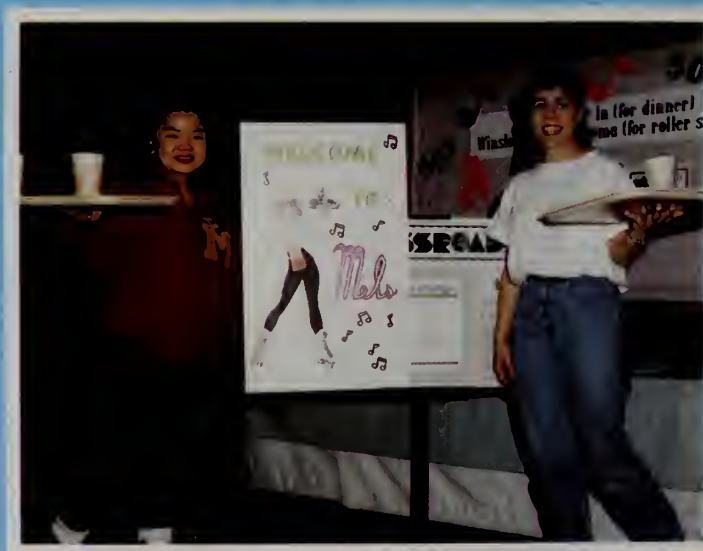

We have seen too much defeatism, too much pessimism, too much of a negative approach. The answer is simple: if you want something very badly, you can achieve it. It may take patience, very hard work, a real struggle, and a long time; but it can be done. That much faith is a prerequisite of any undertaking, artistic or otherwise.

Margo Jones

# ...IT'S WHAT

Our time has come to say farewell to Lasell, but the memories will always remain. Some of us may be going out into the working world while others of us are going back to the college atmosphere to receive a graduate degree. Whatever it is we choose, we all have one thing in common. We attended Lasell. Lasell has given us the knowledge and experiences that will help us become the best at whatever we do. As you gaze upon this yearbook remember your time at Lasell and stay in touch. You will always have a special place in the Lasell community.

Welcome, you have now entered the residential life zone. Come join us on an adventure of friendship and fun. You will experience a great many activities and the overwhelming social gatherings of "90210". You will also enjoy the friends you will meet both during the hours of soap watching or just when you are hanging around. Thank you for accompanying us on our adventure through the lives of the Lasell residents.

# Carpenter

FRIENDS!

Welcome to Carpenter, but please don't slam the door — thank you! Expect to be greeted by Nicole and Melissa watching General Hospital. If you're lucky, you'll get a smile from Zachary our cute new addition. Penney and Carrie may emerge from under the stairs where they diligently work out. Jill and Hallee may be visiting with the Little Mermaid. Thunderous booms can be heard over strains of "Sweet Baby James" as Mel and Marge actively wrestle. Here you may catch a whiff of Stephs contraband candles or find Sue sporting one of many hats — probably her Bruegger's Bagel cap. If you're lucky, you'll get to say hi to Erin and Nicole as they dash off to places unknown. Cathy is so busy she is hardly ever home, but you may see her if you call the shuttle one night. Brooke's trendy style is only surpassed by her twice-baked potatoes! Don't be surprised if Michele is unavailable for comment because the phone is for her. On your way upstairs you may meet Rachel as she goes visiting. When you pass room #13 you might hear Miho and Kapo practicing their English slang! Our only Baccalaureate Senior, Gayle, can be found procrastinating in room 10. Amie is usually bundled up in multiple layers as she plans her next bulletin board. You don't need a museum pass to enter room 14, but you'll find an array of original artwork by Shannon and Laurie. Before you leave, Michelle and Andy say, "have fun, be safe, come home quietly."

PARTY!

Chandler House is a beautiful green and white house that sits across from Winslow Hall. It's residents are Dena, Alana Tracey, Donna, Jacki, Katie, Kazue, Ako, Chiharu, Tara, Cindy, Beth and Anna. We've got them all. The music's loud, the walls are a shakin', watch out for the RD, she don't want to be awakin. We've got calzones on a Thursday night and decorated doors that were out of sight. What about the horse with the big orange mane? Come to our house, you've got a lot to gain.

Some phrases that capture the essence of Haskell House during the 92-93 year are:

- the first floor shower "The Coffin";
- Birthday celebrations; and
- Reindeer Bags.

# Mott

Fifteen women, true to form  
Came together, in Mott dorm  
They took a challenge in September  
To try and get along with every member

The pizza man we knew by name  
A broken door by who?  
Mott house "live" on video  
A dorm program or two  
Quiet hours are in effect  
No dogs or cats allowed  
The fridge is turning green with mold  
The bathroom light's too loud  
And even through the craziness  
Through any single storm  
You find all students glued to the T.V. set  
When 90210 is on.

So with a sigh — a farewell wave  
We turn and walk away  
But smile and hope that all ...

# Ordway

Friends from Puerto Rico.

Ordway House is a house of many fine young women carrying over the tradition of the Boston College nuns who were here before us. This tradition from habits to hair spray has probably been an eventful one for Ordway. If the walls could whisper, then what would they tell us. Indeed, the nature of the activities has changed here considerably. Where quiet contemplation and prayer once filled these halls, buzzing business has come to quickly to replace them. The spirit of Ordway is one of family.

Resident Director: Carla Charbonneau

Resident Assistant: Gina Aloisi

What a movie it was.

# Pickard

When you walk into the entrance way of Pickard House, what you will notice is carriages, car seats, and electric wall sockets covered with guards. If you walk further into the kitchen you will see more of the same. The women in this house are here to obtain a college education and also happen to be mothers. In order to get a true feeling of what it is like to live here you should visit after dinner and before bed time.

Like mother, like daughter.

I love bath time!

# ...IT'S WHAT

## MAKING IT FUN!!

Laughing, smiling, dancing and singing, the spirit of Lasell students shines through at campus activities!

# Student Life

# Orientation 1992

The Class of 1996 joined the Lasell Community and were told to Cover All Of The Bases. The orientation staff and the Lasell Community welcomed the new crew with open arms and prepared them for the long journey ahead. Through the ropes course and the welcome speeches the class formed a special bond. Now they had an even bigger challenge to face, the academic year. They were sure to make it a successful one if they just remembered to Cover the Bases.

Trust me ...

Hanging Around

It will always fit.

Happy to be here!

We've got a great program for you.

Great picnic ...

Aren't these glasses cool?

Hold on tight!

# Opening Day

Opening day came and the new faces arrived, traveling from as far away as Puerto Rico and Japan to just next door in Waltham. One thing they all shared in common though, was carloads of belongings that would help them feel right at home. The Lasell community was well prepared for this day, so everyone was ready to welcome the new crew. The day was a full one, with moving boxes, welcoming greetings and lunch on the President's lawn. Finally, it was time to say goodbye to family and friends and get ready for the long days ahead.

# Family and Friends' Weekend

In the blink of an eye, it was October and time to welcome family and friends back to campus. The weekend celebration included our 100+ year tradition of River Day, a Kentucky Derby party, a performance by the Orphean Club and a Fashion Show to support the Battered Women's Shelter of Waltham. Woodland Hall ran away with the Marriott Cup for River Day, as well as the winning horse at the Derby!

# Halloween

Halloween was filled with characters! With a lot of creativity and make-up, Lasell students were transformed into the Seven Dwarfs, a case of Corona, ghoulish creatures and what appeared to be several models of one faculty member!

I'm in controll!

HiHo, HiHo, HiHo ...

The Corona Caps

I've come to suck your blood!

# Winter Solstice

Lasell celebrates the December holidays with a Winter Solstice Festival. Easing the transition from classes to exams are caroling and hot chocolate, tree trimming parties, house decorating and a holiday dinner served by faculty and staff.

Steady now.

I look beautiful!

# FASHION SHOW

The runway is set.  
The models are dressed.  
The crowd waits anxiously.  
The music begins ...  
and Lasell models grace  
the stage for a fashion show.

The Fashion Board Students  
are responsible for every  
detail of the shows which  
run each semester. The  
Family and Friends' Weekend  
show in October raised hundreds  
of dollars for the Waltham  
Battered Women's Shelter.

# WINTER BALL

# Danny McCarthy

Danny McCarthy is a perennial favorite with the Lasell women. A chance to get silly and laugh at themselves as they sing songs both old and new. The "Green Alligators" are sure to pass through on their way to "Margaritaville." Danny is so much a part of our community that he joined us just before winter break to welcome in the holidays. A good time is guaranteed when Danny comes to town.

The new Supremes.

Getting into the holiday spirit.

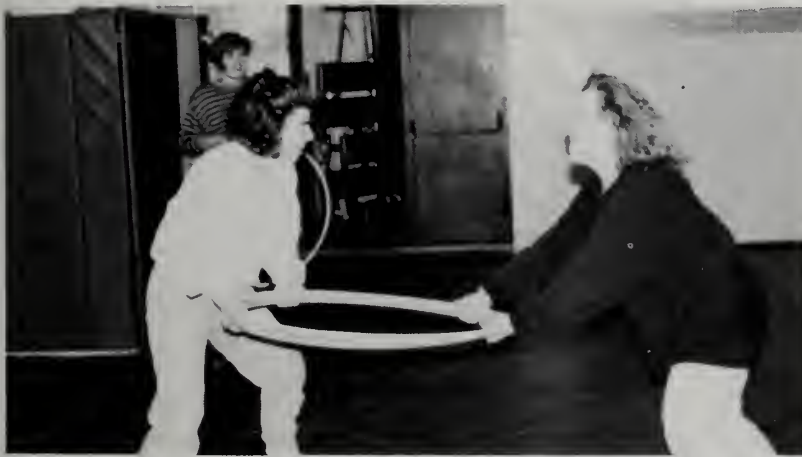

Green Alligators and what . . . ?

Donna, Kerri, Sherry and Valarie enjoy an evening with Danny McCarthy.

# ROLLERSKATING

Fun was the main theme for our roller derby! With the tunes from the fifties, hula hoop, limbo, and musical chair contests Lasell students found themselves rolling around Winslow Hall.

# FIFTIES NIGHT

Roller skates, hamburgers, bobby socks, and poodle skirts . . . Lasell students ventured back to the fifties for a special dinner and roller skating extravaganza. Both students and faculty enjoyed this event!

# KARAOKE

Sing, sing a song —  
sing another song —  
and another. Yes, Lasell students love to sing and Karaoke nights give  
them the opportunity!

# LIP SYNC

Did you ever dream of being a rock star? Most Lasell students make that dream a reality as they take the stage at our biannual Lip Syncs!

# HONORS CONVOCATION

Crowds of students, faculty and staff, families and friends converged in Winslow Hall for this year's Honors Convocation. The number of students recognized for their outstanding achievements was overwhelming. At this rate of growth in our student achievers, we may have to suggest that a separate building be built to house this event. Congratulations to our honors students of 1993!

## PTA's prepare for Pinning!

# AIDS TEACH-IN

AIDS. A group of concerned women came together to help educate Lasell and others about this deadly disease. An interactive panel, dramatic presentations and frank discussions filled with compassion, sorrow, humor, frustration and hope formed Lasell's first AIDS Teach-In.

Dawn Berg and Erin Peacock show one form of prevention. The hard working crew! Viewing a section of the AIDS quilt.

Danica Roy and Kerri Heffernan share important information.

# SPRING BALL

The Spring Ball kicked off a weekend celebration of the coming of Spring and warmer weather. Students were joined by several faculty and administration at the Newton Marriott where they danced the night away. The student committee did a terrific job!

# ...IT'S WHAT

Associate and Baccalaureate degree candidates gathered with family, friends, faculty and staff under the tent on Taylor field to celebrate Commencement 1993. A women's college alumna, lawyer, and entrepreneur, Niki Tsongas, our esteemed commencement speaker, articulated the exciting and challenging roles which young women can take both professionally and personally in community leadership. Tracey Provost, our baccalaureate degree speaker, asked students to look to the future with a sense of confidence that they can make a difference. And with the words of wisdom, "I am woman, hear me roar", Carrie Lempke, our associate degree speaker, ignited cheers from the graduates.

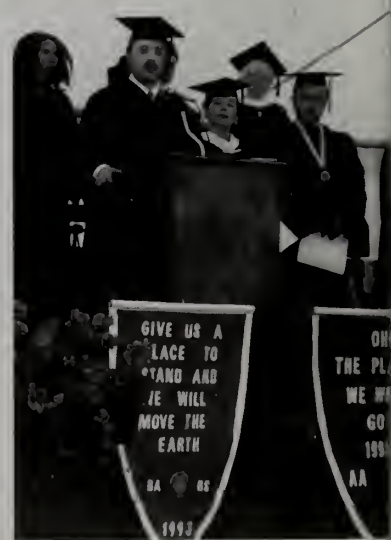

What  
A  
Woman!

This year the yearbook staff dedicates the 1992-1993 edition of The Lamp to a woman who has the utmost respect from the faculty, administration and students. Many students see her not only as a knowledgeable professor, but also as a friend.

It doesn't matter if she is running down the field to play a sport she loves, cheering on the last person to the finish line or proof reading a student's paper for the fifth time, she exemplifies leadership and enthusiasm. She is an effective leader, dynamic teacher and trustworthy friend.

She is proud to be a member of the Lasell community and has great expectations not only for the students, but for the future of Lasell.

Here is a quote from Myles Horton which expresses her love and devotion to Lasell and the surrounding community:

"I want and still want to see a world in which people can be equal, where people give their property to be held in common if they can't make personal use of it. I'd like to see a world where you could really care for people, a human world. I don't live in that type of world, but I want to help create one like it."

We, the yearbook staff, see no one more deserving of the dedication of this year's Lamp than Dr. Kerri Heffernan. Congratulations!

## ALMA MATER

Firmly bound by bonds unbroken  
Love for Old Lasell  
Take we now a pledge outspoken  
E'er to guard her well.

Alma Mater, Fidelitas!  
Pledge, all, for Loyalty!  
Sing we now before we part,  
We'll ever faithful be.

Bright school days are quickly past;  
Enjoy them while you may,  
Mem'ries still shall them outlast,  
When we are far away.

Alma Mater, Fidelitas!  
Pledge, all, for Loyalty!  
Sing we now before we part  
We'll ever faithful be.

Lasell Community:

As you gazed upon the pages of this book I hope it reminded you of many fond memories.

I hope that you will cherish this book as much as I have cherished putting it together. At the present time it may seem to you that this yearbook is just a bunch of pictures, but as you get older and reflect back, the yearbook will tell a story of friendships, events and your college experiences.

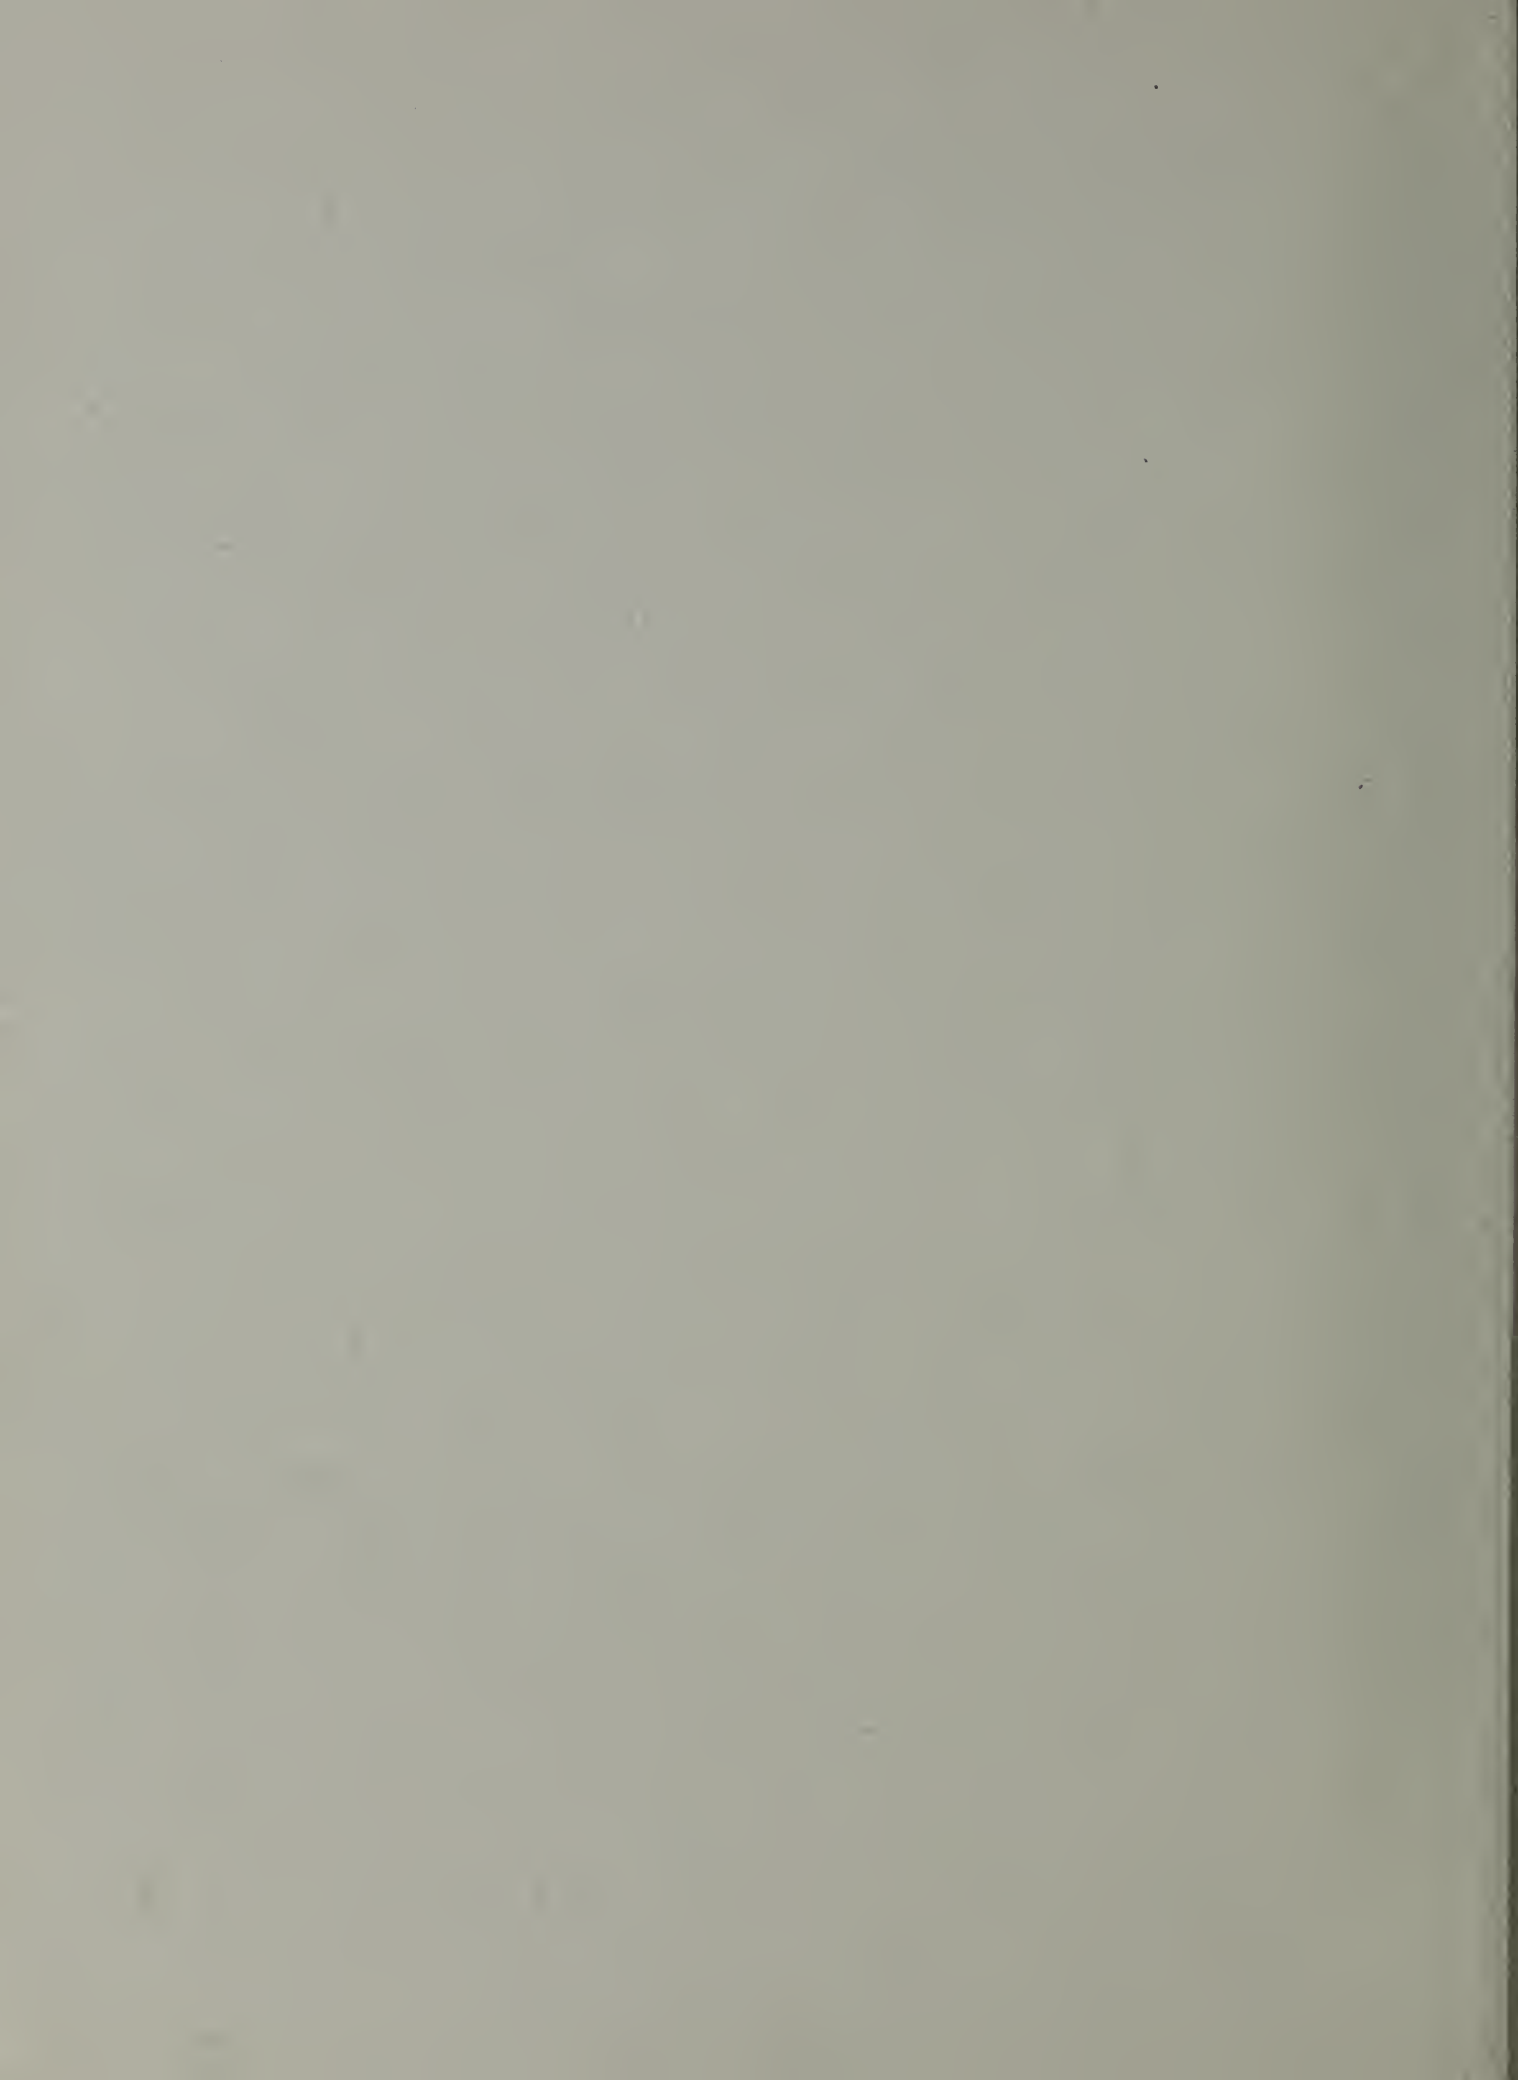

While enjoying this yearbook, keep Lasell College near your heart as you follow your dreams.

Good luck to all of you. May you never forget your time spent at Lasell.

Best Wishes  
Donna L. Wolff
